Re: Weddings

Dear all

We are looking to start having weddings again from October 2020.

However, at the moment there are a number of restrictions including

- Maximum of 30 in attendance
- 2m social distancing unless in the same household. This applies to the area outside also.
- designated seating
- Masks are requested for all in attendance. This may be relaxed for the bride and groom during the vows and for the photo after the signing of the register
- No hymn singing

These restrictions may change by the time we start allowing weddings. However, this is what we are currently being told to do. I understand that this is quite a list of changes to what we normally offer. However, I hope this helps give you a picture of what to expect.

Do be in touch with me if you have questions etc.

Many thanks

Ben

Revd. Ben Griffiths MA
Rector, Newbold Parish Church
Assistant Diocesan Director of Ordinands (ADDO)
